How did you hear about this program

Research Goal and Essays

The following questions will give you an opportunity to tell us about yourself.

Please answer openly and truthfully

*What are your career goals? *Bullet list - Example*

-

Goal 1

Goal 2

Goal 3

*What are your three strongest research interests? *Bullet list - Example*

Interest 1

Interest 2

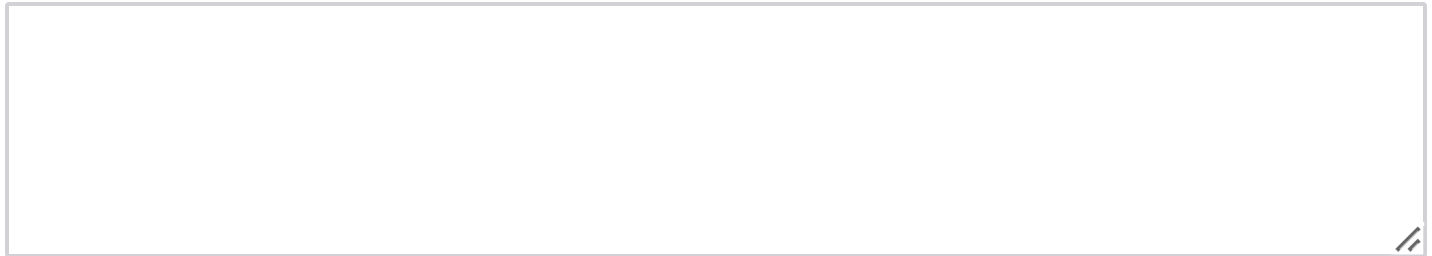

Interest 3

List coursework and laboratory experience that would help qualify you to conduct research in your research interests

State your purpose in applying to the [George Washington Carver Internship Program](#) & [Cyclone Scholar Summer Research Experience](#) summer internship program. Include specific research interests you would like to work in, your approach to research, and your goals as a professional. Indicate any experience, coursework, skills, obstacles you've overcome that you think will help the selection committee choose you. Please limit your statement to 600 words or less. You may write your statement in another program and paste it in below.

**Diversity Statement**

Please write a response to each of the following: 1) What challenges do you feel diversity students face in higher education? 2) How have you advocated for diversity in the past, and how you will advance diversity in the future. Please limit your statement to 300 words or less. You may write your statement in another program and paste it in below.

**Letter of Recommendation**

Please upload your official university transcript here. Reminder, unofficial transcripts will not be accepted.

Please submit your letters of recommendation submitted to this link [HERE](#).

If you have a paper official Transcript * Including course grades and courses in which you are currently enrolled *If your Transcript doesn't include the above information, ask your adviser to sign a copy of the information and attach it.

Send the above materials in one package to:
