

IOWA STATE UNIVERSITY
COLLEGE OF HUMAN SCIENCES - REINSTATEMENT PACKET

Thank you for your interest in seeking reinstatement in the College of Human Sciences at Iowa State University. You may apply for reinstatement after an absence of one semester since your dismissal or two semesters (not including summer) if this is not your first dismissal.

Reinstatement is not automatic. Submitting this application ensures your application **will be considered** for reinstatement. Use this checklist for your reinstatement application. Submit your completed packet by the appropriate due date (see page 2). In order to be considered, you must do the following:

- Complete the Petition for Academic Reinstatement form (see page 3)
- Complete the Educational Career Goals form (see pages 4-5)

Contact an adviser in your intended major to discuss your plans (see page 2). Meet with this adviser to complete the Long Range Plan for Academic Reinstatement and receive the required adviser's signature (see page 6). Reinstated students are limited to enrolling in 12 credits during the spring/fall or 6 credits during the summer during their first semester back at ISU.

- Submit a copy of your ISU transcript and your current grade report.** In order to be considered for reinstatement, students are required to complete at least 9 credits of college work within the same semester with at least a 2.50 cumulative GPA while away from ISU. Completing this requirement does not ensure automatic reinstatement. Your reinstatement application will not be considered if you do not submit unofficial transcripts for all current and previously enrolled courses since your dismissal from ISU.
 - **Currently enrolled courses:** An unofficial grade report in the form of a screenshot or letter from the professor confirming your current grade is acceptable for in-progress courses.
 - **Completed courses:** Unofficial transcript from your college's student portal is acceptable for completed courses.
 - **If granted reinstatement,** official transcripts for all courses must be provided to the office of admissions once your grades post. If these are not received, your reinstatement will be cancelled.
 - Mail official transcripts to ISU Admissions Office,
100 Enrollment Services Center, 2433 Union Dr., Ames, IA 50011
- If you were granted an exemption from the CHS Academic Standards Committee*, please include at least one letter of recommendation (on business letterhead) from your current employer. The letter should address your responsibilities/job duties and discuss your work ethic and character.
 - *In order to be granted an exemption, you must complete the exemption paperwork within 10 business days after being academically dismissed.
- If your dismissal and academic progress were related to medical and/or health issues, please provide a statement from a medical professional that the medical and/or health related issues referenced in your petition letter are now stabilized and you are ready to return to the rigors of a college curriculum.
- If you were not enrolled at ISU for two or more semesters (not including summer), **submit a re-entry application** [from the Registrar's office](#) in addition to the reinstatement application.
- If you wish, you may attach any other materials or letters of reference from faculty or employers that would support your petition.
- Submit all of the above materials by the deadline to kilbride@iastate.edu or mail contents to:

College of Human Sciences Academic Standards Committee
131 MacKay Hall, 2302 Osborn Drive
Ames, IA 50011

In completing your reinstatement packet, remember the committee will be influenced by both the substance and presentation of your materials. Consider carefully whether this is the right time for your reinstatement and that you have the motivation, resources, improved study plan, and choice of major that will help you be successful.

It is important to submit a complete application by the deadline so the committee can make a decision on your reinstatement in a timely manner so you can register for the upcoming semester. Applications submitted after the deadline may not be reviewed in time for you to register for courses for the upcoming semester, resulting in a delay in your reinstatement.

We wish you the best as you consider your options and make plans for returning to Iowa State University.

If you have questions, please be in touch.

Laura Kilbride, Coordinator
Academic Standards Committee

In this section, we would like to see evidence that you recognize what it will take to complete your program, and whether or not this program fits your abilities and goals. Answer all questions as completely as possible. You may add other documents that support your position.

PART C

In the text boxes, provide a typewritten response to the following questions. General guideline for length of your response is 1-2 pages.

1. Discuss your readiness to be successful at ISU by responding to the following 4 questions
 - a. What were the academic issues that influenced your performance at ISU? (e.g., lack of study skills, commitment to academics, etc.)
 - b. What were your personal issues that influenced your performance at ISU? (e.g., personal trauma/illness, etc.)
 - c. In response to the above information, what actions have you taken to address these issues so that you are ready to return?
 - d. What support strategies and resources will you use to promote your academic success should you be reinstated?

PART C Continued

2. Describe how your selected major fits your career goals.

3. If you did not take 9 credits at another college or university, or seek exemption from coursework during your dismissal period, elaborate on the reasons why.

PART D

Complete the following:

- a) Planned ISU graduation date:
- b) Number of credits remaining to complete your program:
- c) Number of credits you plan to take each semester:
- d) Will you attend summer semester?
- e) Do you plan to work while in school?
- f) If yes, how many hours per week?
- g) What is your expected GPA in courses remaining?
- h) Do you plan to retake any courses? If yes, which ones?

NOTE: You must speak with an adviser regarding your education plans. Your adviser will make a recommendation to the Academic Standards Committee regarding your chances for success and reinstatement.

LONG RANGE PLAN FOR ACADEMIC REINSTATEMENT

Meet with an adviser to fill out the long-range plan. An adviser's signature is required at the bottom of this plan. Use your degree audit to complete the plan using pencil. **As you plan for your return, note that the first term you return, you will be limited to 12 credits during the spring/fall or 6 credits during the summer.**
